

AMENDMENTS TO THE CLAIMS

List of Claims:

1. (Cancelled)

2. (Currently Amended) A method of treating erection dysfunction or malfunction, said method comprising administering a pharmaceutically acceptable amount of an extract to a male patient with erection dysfunction or malfunction wherein said extract is a mixture is prepared by the steps of drying tubers, roots, stems, leaves and/or tissue-cultured calluses of *Butea Superba* and *Mucuna Collettii*; pulverizing said tubers, roots, stems, leaves and/or tissue into pieces or powders and then immersing the pieces of powders in a mixture of ethanol and water; extracting the mixture; and filtering the resulting extract and then concentrating said extract in a vacuum to remove the solvent.

3. (Previously Presented) The method according to claim 1, wherein drying is performed by spray-drying, freeze-drying and/or vacuum-drying.
